

## **ADVENTURE CAMP COUNSELLORS and SUPERVISORS**

**Scouts Canada** is seeking Camp Counsellors and Camp Supervisors for a residential summer camp, called *Adventure Camp*, being offered to children and young persons from 8-14 years of age in three camp locations across Nova Scotia.

Working as a Camp Counsellor at *Adventure Camp* is a fun, rewarding and a unique experience that will leave you with lifelong memories. You will also receive Scouts Canada world class leadership training and learn lifelong skills that will help you in your future endeavours. We are looking for Camp Counsellors who have completed high school and are pursuing post-secondary education in the health sciences, recreation management or related fields. Our Counsellors are creative individuals who have the ability to take initiative, enjoy working as a team member, are eager to learn and most of all share a passion for the opportunity to mentor and be a leadership example for children and young teens and to make a real difference in their social development.

In addition to Camp Counsellors we are also seeking candidates for 3 Camp Supervisor positions. These 3 positions will provide programme planning, implementation and leadership / supervision to the Camp Counsellors. Ideally you have had prior experience as a Camp Counsellor and are now ready to take on the challenges of a more senior leadership role.

Both these positions are live-in jobs at the camps, which includes room and board in addition to your salary and will provide you with 8-9 weeks summer employment. You must be available to start approximately mid June and have a clean Police Criminal Record and Child Abuse Check.
